

Dragon Moon International Shipping Rates

We have changed our International shipping so that you pay the actual shipping cost to receive your order. You will be presented with six selections – 3 for Surface, 3 for Air. Of these three, you can select 0-1 Kg, 1-2Kg, 2-3Kg. You'll be refunded for any overages. To avoid delays – choose a heavier option so we can refund you without contacting you.

PayPal: You'll be refunded or invoiced for the difference. **Credit Card:** we'll adjust the amount before processing – however we will need your authorization before proceeding if there are additional charges.

To determine your rate chart, find your "Zone" code in the full listing below, by looking up your Country. Then refer to this list to determine the cost of your shipment. Zones 400-410 are Surface. Zones 100-110 and 201-210 are Air. Surface is rated at **4-6 weeks**, and Air is rated at **2-4 weeks**, but will often arrive sooner. Shipments weighing or dimensionally larger than 2 KG will be shipped with Tracking. All shipments include Insurance in case of damage and loss.

All rates shown in Canadian Dollars. You may use a service like xe.com if you wish to see the current exchange rate for your currency.

No local taxes will be charged by us for your order, but you may have import duties and taxes as governed by your Country.
